1982 ARTICLE INDEX

Articles published in PRODUCTS FINISHING, January through December, 1982, classified by subject...

MONTH/PAGE

ALUMINUM
Electrolytic Coloring of Anodized Aluminum ..... June, 46
Prepaint Treatments for Aluminum ..... June, 54
More EN on Aluminum, by Jeffrey R. Thompson ..... June, 58
Improved Paint Line for Aluminum ..... June, 62
Chromium-Free Pretreatment for Aluminum Extrusions ..... June, 67
Aluminum Finishing Literature ..... June, 70

ANALYSIS
How Much Gold?, by Joseph J. Werbicki, Jr. ..... July, 42
Controller for Electroless Copper, by Christian B. Castner ..... July, 56
Finishing Process Control Showcase ..... July, 68
Process Control for Electroless Nickel, by Budd Justice ..... July, 80
Analytical Methods for Electroless Nickel, by Joseph J. Werbicki, Jr. ..... August, 84
The Case for Automatic Process Control ..... October, 84

ANODIZING
Electrolytic Coloring of Anodized Aluminum ..... June, 46

BUFFING
A New Way to Metallize Plastics for Decorative Effects? ..... March, 82

CHEMICAL COATINGS (ORGANIC)
High-Temperature Coating for Solar Heating Systems ..... May, 92
The Case for Two-Component Polyurethanes ..... June, 88
"Synergistic" Coating Protects Aluminum Impellers ..... November, 54

COIL COATING
Quality Control Circle Programs, by Matthew Goodfellow ..... February, 78
Coil Coating Report: 1982 ..... July, 102

CONVENTIONS, EXPOSITIONS, TECHNICAL SOCIETY MEETINGS
SUR/FIN '82 ..... May, 66
Coil Coating Report: 1982 ..... July, 102
AES SUR/FIN '82 ..... September, 58
Comprehensive Program Planned for ELECTROCOAT/82 ..... September, 92

CORROSION
Improved Corrosion Resistance with Latex Coatings ..... February, 56
Ensuring a Bright Future for Plated Bumpers, by G. Thomas Robison ..... April, 66

DECORATING
A New Way to Metallize Plastics for Decorative Effects? ..... March, 82

ELECTROFORMING
Electroless Forming, by Gene Levy ..... January, 60
Electroforming Record Stampers, by G. Thomas Robison ..... March, 42
Rehabilitation of Faulty Electroforms, by M. Ponnuthurai and S. Chakrapani ..... October, 74

ELECTROLESS PLATING
Hard Chrome Plated Electroless Nickel?, by Daniel A. Brockman ..... January, 46
One Way to Treat Spent EN Baths, by Ronald N. Duncan and Joseph R. Zickgraf ..... January, 54
Electroless Forming, by Gene Levy ..... January, 60
More EN on Aluminum by Jeffrey R. Thompson ..... June, 58
Low-Ammonia EN Solution ..... June, 82
Process Control for Electroless Nickel, by Budd Justice ..... July, 80
Analytical Methods for Electroless Nickel, by Joseph J. Werbicki, Jr. ..... August, 84
Protection of Petroleum Production Equipment, by Ronald N. Duncan ..... September, 46

ELECTRONICS
Acid Copper for PWB's, by Robert Teichmann and Stephen C. Barbieri ..... February, 52
Process Module for PCBs ..... May, 90
How Much Gold?, by Joseph J. Werbicki, Jr. ..... July, 42

ENERGY CONSERVATION
A Selective Paint for Solar Collectors ..... April, 74
Saving Energy with Catalytic Incineration and Heat Recovery ..... July, 62

HIGH-SOLIDS COATINGS
High-Solids: the Good, the Bad and the Ugly ..... May, 94
Improved Paint Line for Aluminum ..... June, 62
The Case for Two-Component Polyurethanes ..... June, 88
Why High-Solids? ..... September, 80

MANAGEMENT
Controlling Accounts Receivable, PF Management Forum ..... March, 86
Your Business Needs Cash, by Joseph Arkin ..... April, 94
Don't Hire a Compensation Claim! ..... May, 62
Fire Hazards in Plating Shops, by James A. Lambert ..... May, 98
Will Flextime Work for You?, by Joseph Arkin ..... August, 62
Improving Employee Performance ..... October, 88

MISCELLANEOUS
Solution Filtration and Purification Showcase ..... March, 68
Caveat: "Compliance Solvents"—a Commentary ..... March, 148
Embossed Steel Cuts Painting Costs ..... June, 81

PAINTING EQUIPMENT, FACILITIES
Electrocoating Then and Now, by George E. F. Brewer ..... April, 44
Cathodic Electrocoating at Allen-Bradley ..... April, 55

Versatile Job Painting Shop, by Anne Porter ..... May, 56
Improved Paint Line for Aluminum ..... June, 62
Roll-Up Media Spray Booth ..... October, 62
Recognizing the Hazards of HHC Solvents, by Don Scarbrough ..... October, 66
Spray Painting Showcase ..... October, 94
Recycling Rinse Water, by Gerard H. Poll, Jr. ..... November, 58
Turn Down the Fans!, by Harold Powers ..... November, 98
Stripping Hangers for Powder Coatings, by Gerard H. Poll, Jr. ..... December, 42
Consider Fluidized Baths, by Neil R. Pope ..... December, 48
How To Improve Your Paint Stripping, by Larry Durney ..... December, 52
Cryogenic Paint Stripping ..... December, 54
Paint and Powder Coating Stripping Literature ..... December, 58

PAINTING TECHNIQUES

Another Way to Comply with VOC Emission Regs, by George E. F. Brewer ..... January, 66
Some Tips on Painting Injection Molded Plastics ..... January, 77
Electrocoating Then and Now, by George E. F. Brewer ..... April, 44
A Selective Paint for Solar Collectors ..... April, 74
High-Solids: the Good, the Bad and the Ugly ..... May, 94
Embossed Steel Cuts Painting Costs ..... June, 81
A Winning Finish for the Fiberglass Kelmark GT, by James Niehaus ..... August, 40
Decorating RIM and RRIM Automotive Parts, by T. E. Hayden and G. M. Mitchell ... November, 46

PLATING EQUIPMENT, INSTALLATIONS

Ensuring a Bright Future for Plated Bumpers, by G. Thomas Robison ..... April, 66
Fire Hazards in Plating Shops, by James A. Lambert ..... May, 98
A Tougher Finish for Farm Implements, by B. R. Fahringer ..... August, 47
Speaking of Chloride Zinc ..... December, 66

PLATING ON PLASTICS

Plastics Platers Challenged ..... January, 79
Plating Plastic To Prevent EMI? ..... May, 50

PLATING PROCESSES AND TECHNIQUES

Hard Chrome Plated Electroless Nickel?, by Daniel A. Brockman ..... January, 46
Acid Copper for PWB's, by Robert Teichmann and Stephen C. Barbieri ..... February, 52
AJM for Plating Prep, by Earl Ruckman ..... February, 60
Electroforming Record Stampers, by G. Thomas Robison ..... March, 42
Why Brush Plating?, by Joe C. Norris ..... April, 82
Plating Plastic to Prevent EMI? ..... May, 50
How Much Gold?, by Joseph J. Werbicki, Jr. ..... July, 42
Brush Plating Equipment and Materials, by Joe C. Norris ..... July, 86
Applications for Brush Plating, by Joe C. Norris ..... October, 56
Black Chromate for Electroplated Zinc ..... October, 92
Advances in Palladium Plating, by Dr. R. Satee Narayan ..... December, 76
High-Speed Sulfamate Nickel Plating ..... December, 86
Palladium Nickel Plating Solution ..... December, 90
Gaseous Etch for Plating on Plastics ..... December, 94

POLISHING

AJM for Plating Prep, by Earl Ruckman ..... February, 60

POLLUTION CONTROL, AIR

Another Way to Comply with VOC Emission Regs, by George E. F. Brewer ..... January, 66
Regulating VOC's, by Henry R. Friedberg ..... February, 66

A Survey of VOC Control Methods, by Henry R. Friedberg ..... March, 51
Caveat: "Compliance Solvents"—a Commentary ..... March, 148
Saving Energy with Catalytic Incineration and Heat Recovery ..... July, 62
Waiting for Easier Solvent-Emission Standards? ..... August, 88

POLLUTION CONTROL, WATER

One Way to Treat Spent EN Baths, by Ronald N. Duncan and Joseph R. Zickgraf ..... January, 54
EPA Regs for Platers: Someday Maybe ..... January, 70
Pollution Control by Plating ..... March, 92
New EPA Regs Planned for Finishers ..... March, 98
All Mixed Up!, by Gerard F. Conklin ..... April, 62
How to Delist Wastewater Treatment Sludges ..... April, 100
Zero Liquid Discharge for Pollution Control ..... April, 106
Clarifier Separates Solids from Effluent ..... June, 98
EPA Regs for Platers: 1982 ..... August, 66
Water Pollution Control Literature ..... August, 76
EPA Sued: All Platers Must Comply in Early 1984 ..... September, 134
EPA Proposes New Regs for "Metal Finishing" ..... October, 78
Recycling Rinse Water, by Gerard H. Poll, Jr. ..... November 58

POWDER COATING

Hubbell Lighting Switches to Powder, by James Niehaus ..... January, 38
Wrinkle Finish Powder Coating ..... March, 96
The New Economics of Powder Coating by Gordon E. Cole, Jr. ..... May, 104
Regenerative Blower Assists Powder Coating ..... August, 58
Powder Benefits Water Heater Manufacturer Four Ways, by B. R. Fahringer ..... September, 74
Powder Coating Upgrades Outdoor Furniture, by Gerard H. Poll, Jr. ..... October, 44

PREPAINT TREATMENT

Singer Makes the Paint Stick, by Dick Driggs ..... February, 40
Better Pretreatment for Paint Adhesion ..... February, 44
Paint Pretreatment Literature ..... February, 47
Cyclonic Separator Saves Pretreatment Chemicals ..... March, 88
Prepaint Treatments for Aluminum ..... June, 54
Chromium-Free Pretreatment for Aluminum Extrusions ..... June, 67

SAFETY

Fire Hazards in Plating Shops, by James A. Lambert ..... May, 98
Recognizing the Hazards of HHC Solvents, by Don Scarbrough ..... October, 66

SOLID WASTES

Solidification of Waste, by David Wolf ..... August, 70

THICKNESS MEASUREMENT

Three Ways to Test Thickness, by Serge Joffe ..... November, 66
Costing Gold Plating, by Joseph J. Werbicki, Jr. ..... November, 76
Coulometric Determination of Plating Thickness, by John Kleine ..... November, 80

VACUUM COATING

A New Way to Metallize Plastics for Decorative Effects? ..... March, 82
Automotive Exterior Vacuum Metallizing ..... July, 96

WATER-BORNE COATINGS

Improved Corrosion Resistance with Latex Coatings ..... February, 56
Complying with Water-Borne Coatings, by Robert G. Landis
and Leonard J. Nagel ..... September, 86
